

Information on Supporting Plant Indy Financially

Plant Indy is a partnership of churches in Central Indiana that seeks to plant healthy, new churches and revitalize unhealthy churches, as the Lord allows.

Plant Indy is a 501(c)3 organization that can receive tax-deductible financial gifts from individuals; we can also accept gifts of stock.

Through God's kindness, and the gift of a private supporter, the administrative costs of Plant Indy are fully covered. 100% of all gifts received from partner churches and individuals are passed along to directly support gospel ministry.

Individuals and organizations who desire to support Plant Indy with a tax-deductible gift may [give online](#)* or mail a check directly to our Director of Finance:

Plant Indy
c/o Jamil Huff
8155 Englewood Road
Indianapolis, IN 46240

Any questions or concerns about this process can be directed to the Plant Indy board [by clicking here](#).

* Giving online can be a great way to set up recurring gifts; however, there are transaction fees which will subtract from your support. Processing checks is the least expensive (\$0.00) mode of financial support.
